

## About Sri Shivaratnapuri Temple of Health

**Sri Shivaratnapuri Temple of Health,**  
a Tri-Pyramidal Abode of Well-being and  
a Unit of Sri Rajarajeshwari Charitable Hospital  
Trust is founded by His Holiness Parama  
Pujya Srimat Paramahamsa Parivrajakacharya  
Sachidananda Pranavaswarupa

Paramacharya Jagadguru

**Sri Sri Sri Shivaratnapuri**  
**Bhagawatpadacharya**

**Sri Sri Sri Tiruchi Mahaswamigal.**

It is envisioned to reality by  
His Holiness Parama Pujya  
Srimatparamahamsa Parivrajakacharya  
Sachidananda Pranavaswarupa Acharya  
Mahamandaleshwar Jagadguru  
**Sri Sri Sri Jayendra Puri Mahaswamiji,**  
and is located in Rajarajeshwarinagar,  
Bengaluru 560098.

It is the first hospital day care centre in the world in  
the form of a pyramid, offering multiple systems of  
medicine and therapy under  
one roof structure with the sole motto  
**'Freedom from Medication'.**

Research has proven that pyramids are  
extraordinary energy centers.

The Three Pyramids which form the Sri  
Shivaratnapuri Temple of Health are  
constructed under the guidance of  
His Holiness to the last detail.

The length of the sides of the base of the  
Big Pyramid in this complex is exactly  
1/5<sup>th</sup> of the length of the sides of the base of the  
Great Pyramid of Egypt at Giza.

**The very unique and unprecedented feature of  
this construction is that no metal reinforcement  
at all has been used for the strength of the  
edifice. The non-metallic nature of this Pyramid  
fosters better retaining of Cosmic Energy.  
Further, it is a stand-alone pyramid on the roof  
slab of the basement that has parking spaces  
for one hundred four-wheelers and  
two hundred two-wheelers.**

There are three pyramids in the complex, two Small  
and one Big. Among the two small pyramids one  
serves as a children's play area and the other is a  
free dispensary. The Big Pyramid houses a  
**seven storied stepped pyramid** within.

The manifestations at Sri Shivaratnapuri Temple of  
Health are three-fold : Architectural amazement,  
Wellness and Medical facilities.

### Facilities include:

- ▲ Visit (Wonder Health Experience), at a nominal fee, for viewing the entire complex entailing the three pyramids, including a museum at the basement
- ▲ Wellness centre, at a nominal fee, in the third and fourth floors of the Big Pyramid for meditation
- ▲ Free medical services at the North-western small pyramid that houses an allopathic free dispensary for all
- ▲ Medical services, at a nominal fee, in the ground, first and second floors of the Big Pyramid
- ▲ Children's Play Area housed in the small pyramid at the North-east of the Pyramid complex

## About Wonder Health Experience

Wonder Health Experience, aimed at
